

Google Presentation Rubric – South America/Asia/Africa (200 points)

The creation of the Google Presentation (Power Point) will consist of 13 slides. Each item listed below will be included in the Power Point.

Reminder: Graphic Organizers (research) is used to construct each slide. Type 2's go in place of research. If a graphic organizer does not have a Type 2, choose 5 facts to incorporate into the slide from the graphic organizer. A picture or graph must accompany each slide.

- ___/5 #1 - Title Slide – Includes pictures, title, author (capitalization and spelling).
- ___/5 #2 - Map – Includes a map with a key.
- ___/10 #3 - Charts & Graphs – Insert both graphs created. A title must be included.
- ___/20 #4 - Human & Physical Features ***Type 2*** - Includes a Type 3, picture, and title.
- ___/20 #5 - Flag ***Type 2*** - Slide will showcase the flag and incorporate the Type 3. Title needs to be included.
- ___/20 #6 - Government – Use the Government graphic organizer and incorporate 5 statistics and/or facts in any chosen format. Pictures must also be incorporated, along with a title.
- ___/20 #7 - Religion ***Type 2*** - Incorporate the Type 3 and Religion pie chart . Make sure to revise the graph if revisions are needed. Be sure to include a title.
- ___/20 #8 - Timeline – Using the Timeline graphic organizer, incorporate 5 events and pictures. Be sure to include a title.
- ___/20 #9 - Animals, Plants, and Natural Resources ***Type 2*** - Incorporate the Type 3 and pictures. Be sure to include a title.

- ___/10 #10- Glossary – Incorporate 5 words from the Glossary graphic organizer, in addition to pictures. Be sure to include a title.
- ___/10 #11 - Video Slide – Incorporate a video from the Discovery Education web site linked to Mr. Reggio’s Enrichment Homework page. Be sure to include a title for the slide.
- ___/10 #12 - Photo Gallery – Incorporate 15 self-selected pictures from Google Images or Discover Education to represent the history, economics, culture, government, and geography of the chosen research project.
- ___/10 #13 - Works Cited – Using the Works Cited graphic organizer, list 4 sources from the research graphic organizers.
- ___/10 Transitions – Incorporate one transition into each slide.
- ___/10 Neatness & Organization – Points will be awarded based on the neatness and organization of the material presented throughout the book. The format of titles, page numbers, and research displayed through writing and/or typing, and pictures will be examined and scored.
- ___/200 Total Points**
