

Checklist – MADE IN SOUTHERN/SOUTHEASTERN ASIA

2 Data Research Tables (Home & Walmart/Kohls/Target/K-Mart)

- 50 items listed in each data table
- Identify the item, manufacturer, country the item is made in
- Incorporate a clean copy of each data table into the poster board display

Digital Pictures

- 20 pictures taken with a digital camera are included in the display
- Pictures connect to the research conducted at home and the store of choice
- Each picture must neatly affixed to the display

2 Pie Charts

- A total of 2 pie charts must be created
- Each graph should have a title and be affixed to the display
- Titles must be capitalized, along with names of countries
- Source the data accordingly: name of store or home

Collins Type 2

- Using the data tables, discuss the influence Southern/Southeastern Asia has on products at the store of choice and home
- Follow all of the directions listed in the Collins Type 2
- Type the final, revised copy and affix to the poster board

Display

- Points will be awarded for neatness and organization
- A large, bold, title must be included,
- Also include the name of the researcher, teacher, and period number
