---

**The Blank Canvas: The World & HECGG**

**Directions:** Complete a rating scale for your **group project**. Be sure to list the group # on the line provided below. Please answer all five questions. Read each rating scale question and be honest with feedback.

**Grade** \_\_\_\_\_

**Total Points** \_\_\_\_\_/25 points x 4 = \_\_\_\_\_/100

Please circle the number that reflects your ranking of the project for each question below:

1. How do you rank this project's **connection to expeditionary learning and H-E-C-G-G?**

**Low** **High**  
1                                      2                                      3                                      4                                      5

2. How do you rank this project's overall **neatness and organization?**

**Low** **High**  
1                                      2                                      3                                      4                                      5

3. How do you rank this project's **quality of work?**

**Low** **High**  
1                                      2                                      3                                      4                                      5

4. How do you rate this project's **creativity** level?

**Low** **High**  
1                                      2                                      3                                      4                                      5

5. How do you rank the **overall quality** (The World & HECGG) of **thematic connections?**

**Low** **High**  
1                                      2                                      3                                      4                                      5
